Dear Prayer Warriors,

Because several of you have asked, we are sending a special Praise and Prayer letter.

Praise:

It's a new year and we all have a lot to praise the Lord for. Life and hope of Jesus' return, just to mention a couple.

Let's praise Him for opportunities to serve the King of Kings and Lord of Lords, He is Lord over all.

Prayer requests:

1. I am heading to Bolivia on January 18 for nearly four weeks. Jan will be holding the fort down here; we stay well connected through the internet. We do not want to take traveling lightly; there are hundreds of people involved in the mode of travel we take. We ask prayer for safety and opportunities along the way to share Christ.
2. We have three goals for this trip.

- a. Purchase solar radios, load 800 micro chips with audio Bible lessons, package and ship the radios to isolated families via airplane, bus, canoe, and even by foot.
 - b. Edit recordings done by two Ayore speakers. This project is a slide show through the OT and NT in the Ayore language. It is a big project with lots of pictures, voice over, and production.
 - c. See the building of our Chimane Conference Center to completion.
3. All these projects are listed on these three websites. Please check them out and pray for the needs we have.

4. We are sending a lot of God's word out to three language groups. We know God's Word says where He sends His word it will not return void. Also, Faith cometh by Hearing God's word. So, we ask prayer for many that have ears to hear will hear and understand what God is saying to them. Please pray many will hear God speaking to them while the Holy Spirit causes their hearts and minds to be born again.

5. It is hot in Bolivia this time of year. The mosquitoes are busy spreading dengue fever, and many get sick. We ask for prayer to stay healthy during our time there.

Not much gets done for eternity without prayer warriors.

Ephesians 5:12 says, “for we wrestle not against flesh and blood but against principalities', against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

This sums it up for 2024 projects. We treasure your interceding prayer for this outreach among these four language groups: Chimane, Yuracare, Trinitario and Ayore.

God bless you and keep you safe.
