

Dear Faithful Prayer Warriors and Investors,

We are truly thankful for your part in all that God allows us to do here in Japan. In less than 9 hours, our church will be having our major Grand Opening and Christmas Special Evangelistic Services at 7 PM Japan Time (2 AM PDT, 5 AM EDT). This will be the 10<sup>th</sup> official weekend that we are holding services at our new church plant. Thousands of tracts have been passed out through canvassing neighborhoods, passing out tracts to students outside of school gates, and caroling at train stations. Several people have promised to come, and the services will be full of special music, salvation testimonies, and a very direct Gospel presentation and invitation.

We are asking all of you to pray that God will glorify Himself during these hours, and that the Gospel would have free course in the hearts and lives of people. Thank you for your prayers leading up to this point, as well as for your continued prayers that God would do that which only He can do.

For His Honor and Glory,  
Go and Danielle Oishi

Dear Faithful Prayer Warriors and Investors,

Thank you so much for praying for our Grand Opening Christmas Service! God moved in an incredible way by bringing us 9 people, 6 of whom were first-time visitors! For most of them, this was their first time to ever set foot in a church service, as well as their first time to ever hear the Gospel preached. Every soul listened intently. Though no public decision was made today, we know that God made an unforgettable impact in

their lives through the multiple songs, salvation testimonies, and the clear presentation and invitation to respond to the Gospel tonight.

In approximately 8 hours, at 9 AM Japan Time on our Christmas Eve (4 PM PDT, 7 PM EDT), we will be doing it once again. We have several more visitors who have promised to come. We will be having one unsaved visitor that was here today return. Please pray that God would glorify Himself once again, and that He would draw all men unto Himself as we lift up Christ.

For His Honor and Glory,  
Go and Danielle Oishi

Dear Faithful Prayer Warriors and Investors,

I am writing this email to you in awe as God has more than doubled His blessings for our final Grand Opening Christmas Service this morning on our Christmas Eve. God gave us a total of 30 people in attendance, 17 of which were first time visitors, and 3 of which were returning visitors. Between yesterday and today, God had given our church a total of 23 first time visitors, many whom were contacts made in the last few days, and 9 of them expressed to me that this was their first time ever setting foot in any church service or hearing the Gospel. One of these are already committing to continue coming, and are already preparing to invite friends for our next Sunday.

Many special music were sung, many Salvation testimonies were given, the Gospel was clearly presented, and souls were personally invited to trust Christ. One silently responded, and we trust that she will trust Christ this week as we follow up on her. I am speechless on what God has done. To God be all the glory.

Both services were conducted bilingually, and were recorded. Please let me know if you would be interested in having access to a link to our special services. Thank you for

continuing to pray that God would continue working in a miraculous and unusual way in this land that is widely known as an impossible place to reach. We praise God that He is the God of the impossible, and that to Him, nothing shall be impossible. May you have an amazing Christmas as God has given us.
