TRUSTING GOD

Greetings from the Montaña family! Great news from Hermosillo, Sonora. We hope that all of our supporting churches had a fruitful season of ministry!

As we entered the month of December there were so many activities that we were done to share the gospel. Our choir had the opportunity to present special Christmas music in two different malls. In one of the malls we had a person saved. We were able to hand out invitations for our church. Also during the month of December we

had our Christmas musical. We had 17 people receive Christ as savior. What a blessing to see that take place. Every year we take a Christmas gift to many of our public servants. We were so happy to see our church mentioned in several social medias as police officers and people from the medical communities posted that they received a gift from our church.

We started the month of January very busy ,as we had our vision Sunday for 2024 ready to take off. This year our theme is : “Trusting God” with Proverbs 3:5

being our verse for the year. God also allowed me to preach in the Spanish Spiritual Leadership conference in Lancaster ,California. It was a blessing to have a group from Hermosillo join my family during our days there. They were encouraged and equipped to better serve the Lord.

Youth Group

As Laws change here in Mexico we are determined to continue trusting in God, as our culture is getting more anti-christian we need to trust God that preaching the Gospel is God’s method of communicating His salvation.

We are trusting God as we continue to save for Land as we want to purchase land or a building to have a permanent church home. We appreciate your prayers for all of us to continue trusting God as we give.

We are looking in upgrading some of our computers. We have older models that are working but are no longer able to be updated. If you have any Mac computers that you are not using, that are newer

than 2015 please let us know. We need more transportation for our youth groups and soul winning. The van that we have has been a blessing - and those who gave and have contributed has helped with the many upkeeps that have been needed in the past. Please pray with us also for us to be able to add another passenger van. Thank You for all ****PRAYING**** for us.

Prayer needs:

1. Maturity of our church family
2. Boldness in witnessing - fruit that remains

3. Wisdom in leading the church through giving for a future building or land.
