February/March 2024

Greetings All,

We thank the Lord Jesus Christ for your continued prayers and support for the work of the Lord in the Netherlands. We have once again been blessed beyond measure! The Lord has answered prayers, encouraged His people, and added to the Book of Life several souls. The Lord has definitely been good, even though there have been some challenges. We cannot imagine what things would be like without your prayers for us and do not ever want to take that for granted. So, once again, THANK YOU!

I believe in the last report, we had asked for prayers for wisdom on whether the Lord would have us rent an additional part of the building we currently use. We sought the Lord for several weeks and He gave us a peace about it. Yesterday, we were able to sign a contract for that space and we will begin the work to upgrade some things next week. God has given us a several people in the church with construction ability, so that is also a real blessing. This past Sunday we had a really great day. I had one of our young preachers teach Sunday School, the Lord challenged everyone with the preaching, and children were born again in Children's Church. Lisa was able to deal with one of them about their soul (Robin). With tears in her eyes, she trusted Christ as her Saviour. The other (Alex) has been asking questions for quite some time. He just couldn't "connect the dots" about his sin and need of the Saviour. Several people had talked with him about this over the last year, but Sunday it all came together and he believed on the Lord for salvation. It was exciting to hear them both announce to the church that they were now going to Heaven! AMEN!! Please ask the Lord to protect our new brother and sister in Christ from the pull of the world on their hearts.

If you could pray for some health issues. The "plague" is in the camp, and we really don't have time for it (much to do). Continue to pray for our folks to get a greater burden for souls and service to our Lord and continue to grow in their personal walk with the Lord. In the culture here, it seems service isn't as important as other things. We want them to be blessed of the Lord, but they aren't connecting that to serving. Ask the Lord to give me the wisdom to help them see this truth from the word of God (Romans 10:17) in the teaching and preaching. Pray for our discipleship ministry. Soon we will be taking on another group to disciple. Pray the Lord help them to grow in their Christian life and ask the Lord to bless those that are currently in discipleship. Pray for more souls to be saved! We have a woman in our church planning to move to Ethiopia in the future. Pray that she can find a good church to get connected to there and protection for her as she travels there. She has been a great blessing to our church. Pray for one another!

Love in Christ,
 Eric & Lisa
