Psalm 78:7

Dear Pastor and Church:

As I recently wrote in an email note, the Lord has kicked open the door for us to have our annual Youth Camp for the first time since 2019. Because of COVID and then my wife's cancer treatments and death, we had not been able to do it. I was hesitant about doing it without Alba and several others that always helped, but we are walking through the door. So, as in past years, we need to **raise at least 50% of the cost** for our campers because they come from poor families that cannot afford the cost of nearly \$160 each. We want to invite each of you to have a part in sending teens and young adults and counselors to Youth Camp during Holy Week, March 26-30. **We need \$78 per camper** and they will provide the other half. Each participating church is having special fund raisers here, also. We hope to have 30 to 50 campers and counselors.

Please let me know how much you can help us with. We need to receive your offering by March 20th. Please pray for our campers, counselors, teachers, and preachers, and for the funds we need.

The mission work had a special New Years' Service and dinner the first Sunday of January. Then for the mid-week service we joined with my Dad's mission work for a joint special service of music and specials, and I was privileged to preach. This Sunday the 18th we will have a special Friends Day service and luncheon in an effort to reach new families. We are praying to reach new families this year. Praise the Lord for a new family that has started attending. We also continue to have our weekly visitation program. I praise the Lord for Bro. Javier who is helping me preach and lead the music.

Thank you again for your faithful prayers and financial support. May God bless you greatly. Please change immediately the address of the IBFI where you send our support and correspondence. The new address is:
