#### Vote Biblically This Election Season!

One of the most fundamental things we can do as Christians is to steward wisely the means and responsibilities God has given us. One of those responsibilities is voting for the right candidate — a candidate with **Biblical values**. Allow me to share with you three things that will assist you in voting Biblically.

**1. Pray for our local elected officials and the leaders of our country.** As you know, we have this listed on our Wednesday night prayer sheet that is updated each week. There is much power in prayer! God hears our prayers, and He is able to move mountains.

Please visit <https://www.biblicalvoter.com/arizona-voter-guides> to find out who your locally elected officials are.

**2. Do your research about the candidates running for election.** The best way to know which candidate has true Biblical values is to do your own research. It's important to know who we are voting for! Make sure you know the candidates, their values and beliefs, and *then* vote cautiously and Biblically.

If you are a part-time resident of Arizona, the following is a great resource to use to look at voter guides in your state: <https://www.biblicalvoter.com/state-voter-guides>

**3. Encourage others in your circle to vote Biblically!**

Be mindful that churches cannot endorse candidates, **but** they can provide voter guides and hand them out to the congregation or make available in the foyer.

This will help the congregation see who the candidates are and if their beliefs align with Biblical values.

Next week begins The Presidential Preference Election (PPE). You must register to vote by February 20<sup>th</sup>. Election Day is March 19<sup>th</sup>. Nominees will be finalized at the respective party's National Convention in July and August. Next, the general election will take place on November 5<sup>th</sup>. Let's **Pray, Do our Research** and **Encourage** others to vote Biblically.

Pastor Doug Cook
