**TEACHING SOUL WINNING CLASS**

## CONTINUING FORWARD

Greetings from the Montaña family! Great news from Hermosillo, Sonora. We hope that all of our supporting churches had a fruitful season of ministry!

We have been at full charge forward with some of our goals for this year. In the month of February we had our soul winning campaign, where our goal was to have 120 soul winners. Every year we have our soul winning training not only to teach others how to win someone to Christ but also to gain more soul winners for our regular soul winning program. Our

goal was to have 120 take the training. We were five short of getting to our goal. We will continue to endeavor to have more people in our soul winning program. Since we have knocked every door in our city we have now started from ground zero to start it all over again. Please pray that we may have fruit that remains. We also had our annual marriage conference and we are so thankful for the decisions that were made. A special blessing was a new couple that has been coming to our church because of this conference.

The semester for the Bible institute continued with nine of our young people preparing for ministry. This semester I am teaching a bible counseling class. Please pray more young people surrender to the ministry.

In the month of March we had our renewal of our commitments that goes

toward the future of our church. The church is sacrificing so that we can save and purchase land or a building that we can grow in. We are doing our best to save so that in the future we do not have to rent any more. Our church is learning to sacrifice for a vision that would allow us to reach more people with the gospel. We are praying that by the end of this year maybe we will have enough for a down payment. Please pray for us in this endeavor of faith. During the month of March we also took our teens to Mexicali for the youth conference. I had the blessing of being one of the preachers. It was a blessing to see close to a thousand

teens come all all over to hear preaching!!

In April we hosted our anual ladies conference. We changed our dates from August to April due to the extreme heat we have during the summer. We had over 100 ladies come to our conference. We had Mrs. Parada and Wendy Reynoso come from Long Beach California to teach our ladies. So many decisions were made. The ladies looked revived and ready for more usefulness for the Lord.

Please continue to pray for our christian school and our discipleship program as we

continue to work with new believers.

Prayer needs:

1. Maturity of our church family
2. Boldness in witnessing - fruit that remains
3. Wisdom in leading the church through giving for a future building or land.
