MULAR'S Message - May 2024

Dear friends,

God never ceases to amaze us! Seeing children as well as adults come to know the Lord is why we are here. Helping them grow and become faithful to church gives us the privilege of seeing God change these lives into His servants.

The ministry in Argentina has changed over the years. Remembering how a church was started in our home over 45 years ago... and seeing those young people now as Pastors, faithful Sunday School teachers, youth workers, working with the music and serving in local churches. Seeing missionaries sent out to begin new churches, that in turn have seen children and adults come to know Jesus as their Savior, grow and begin to serve as Pastor, Sunday School teachers, ministering in music, and serving God in so many areas in local churches. Yes... we have been going down memory lane a little. But that is what we do as parents, grandparents, and great grandparents. These are the blessings God has poured into our lives and we need to remember and thank Him for His work in Argentina.

May God keep the cycle going. Let us never tire of the privilege we have to be in His service. Those kids that have a hard time being quiet in church, that come from homes where the Dad might be in jail, afflicted with addictions and mostly absent from home... are seeing that God does love them. He has become their Heavenly Father that is always there for them. They ask to be picked up for "church" on Sunday night. (No special SS class at night.) They are memorizing the monthly memorization, sitting up front learning to find the scripture readings, becoming a part of the church family. Does that make them great grandchildren in the ministry of the local church? I don't know. But it does make them God's beloved children.

Thank you for your faithful prayers and financial support through all these years spanning at least 3 generations. May God continue to bless you all!

We covet your prayers for all those in need of the Gospel message. For those that are learning about the love of God, salvation, baptism, tithing, faith promise giving and growing and sharing their Heavenly Father with their families and neighbors.

After over 2 weeks of illness, we praise the Lord for His healing and allowing us to minister in another province, a two-hour flight south of Buenos Aires. May God use us to be a blessing to Him and others.

We love you and thank God for you!
