Dear Colaborers:

Greetings from beautiful green Honduras! I apologize for the delay in sending this letter. I should have sent it last week, but I have been battling some minor illnesses. It finally started raining a month later than usual, in June. Now the dust is gone, and the crops are coming up. Now we are in hurricane season.

May started difficultly with my birthday, Alba's birthday and Mother's Day. We had a special service in May celebrating Mother's Day the same day as in the States They received flowers, lunch together, and a beautiful cake. Not what they all deserved but us guys did try to make them feel important, and I preached a Mother's Day message. Praise the Lord for the two grandmothers who are concerned for the lives of their grandchildren. Last month our most faithful lady left on a six-month trip to visit her son in another country. We sure do miss her.

In June we studied the book of RUTH each Sunday. It was a blessed study. We also celebrated our Fifth Sunday Service with specials and testimonies and Bro. Javier preached to us. He has been a blessing to the church, leading the music and preaching occasionally. I praise the Lord for him. I was also asked to preach to the Mothers of another local church in May and in June to their young people.

**Thank you** again for your faithful prayers and financial support. May God bless you greatly.

Yours with Hope for Honduras,

  
Leslie Priday
