MULARS MESSAGE - July 2024

Greetings to you our friends, from Buenos Aires, Argentina!

We are now in the middle of our winter, and though we do not get snow here, we have experienced deep frost for a good number of mornings. Thank God for the sun which not only illuminates, but also warms our days. And all that, . . . without charge!

With the change of seasons comes the normal seemingly deadening of things with its slowing down of production, yet deepening roots to come with much more force in the soon to come spring. Then colds and flu's will be history and our Lord praised for His healings.

On the human family side, the last few months have been very fruitful as three great-grandchildren were added being born in Neuquén, Perú, and the last one, Teodoro Jeremías Mular being born a couple of weeks ago, here in B.A. This made our oldest son George, Pastor of the church here, and his wife Sandra, first time grandparents.

Speaking of children, please pray for the special activity being prepared for children's day in the middle of August. Always an important and fruitful day here.

Our country is experiencing many social-economic changes, hopefully for the better. Our president elect is trying to bring it back from 20 years of socialistic practices and the association with the bad guys in the world scene to a pro-western, pro-Israel, free market economy. All that is very good, and so far, it has had the support of the people. But the skyrocketing prices are taking its toll sending many into bankruptcy and poverty. Please pray for President Javier Milei, and vice-president Victoria Villaruel, for their salvation and protection.

Pray for believers in the congregations of our Bible believing Baptist churches that we may be more faithful than ever and bolder in our witness for our Savior and Lord Jesus Christ.

Hard times are not only times of testing, but also a great time of opportunity to experience the faithfulness of our God and the reality of the Christian life.

Each day we are led to be more thankful to the Lord for His mercy and to you for sustaining us in prayer and financially as you do.

Let us continue sowing faithfully, . . . Harvest Day is coming soon!

Serving Him in, . . . Argentina,

Al & Marty
