Mular's Message – October 2024

Dear Pastor and friends,

The last few weeks have been a mixture of blessings, trials and the realization that this is a very significant year for our family and missionary work.

—It was 50 years ago this this coming November that we departed the good old USA for the field of our service, . . . Argentina. In one sense it feels like it was but yesterday. On the other, half a century of life and memories fill the album of our life.

—Also, December 20th, Lord willing, will mark the 55 years of the making of our vows before the Lord, . . . “Till death do us part”. By the grace of God and His loving-kindness we are enjoying life together and experiencing His Goodness!

—In the work of God, we have had the joy of leading Walter Freitas (33) to the Lord who had come for a few Sundays and continues to do so still. He is a former Catholic who was baptized in an evangelical church but had never been shown how to be saved. He has been living with Ornela for six years, yet not married. I share this with you to give you an idea of how much prayer we all need to deal with situations such as these.

—We also celebrated a Special Sunday, Children's Day. It was a blessing seeing the auditorium full of children. A number of them asked Jesus to come into their hearts. Also, September 22 we had a double celebration, Fundamental Baptist Church 42nd anniversary since its organization and Marty's . . . Birthday! 🎂

When God blesses, the devil does not like it. So, he tries to ruin it. We are experiencing his efforts to hurt the work of God here. We are so thankful for you our faithful prayer partners who lift us up before the throne of God. We know that is the key for all spiritual victories. Please keep interceding on our behalf for God's glory!

For your investment in our family and the work of the Lord here, we remain ever thankful!

In Christ,

Al & Marty
