

Church Planting on the Navajo Nation
The Nez Family

June-July 2024

Dear Pastor, Church, and Praying Friends,

Greetings from the Navajo Indian Reservation. I pray that this letter finds you doing well in serving our Lord.

It is hard to believe that summer is already gone! This has been our busiest summer yet. We are so thankful for all that God has allowed us to do. One of the highlights of July was the Navajoland Baptist Youth Camp. This camp contributed to breaking the sin cycle in the lives of young Navajo boys and girls, first-generation Christians, and changing the course among our Navajo people. Over one hundred and twenty campers were in attendance this year. Many great decisions were made by our campers from Old Paths and Newcomb Baptist Church.

Moving forward into July, we had the privilege of taking our choice servants on their first mission trip! We traveled to Fort Hall Indian Reservation in Idaho to help a veteran missionary, Joe Copley. This trip helped our people to serve more and to see missions from a different perspective. We accomplished so much in such a short amount of time, and we are so proud of our folks. We are already praying for next year's mission trip.

We ended the month with a fruitful Vacation Bible School. We had great attendance with ten young souls saved! Please pray for the young people to continue to come to church.

Newcomb Baptist is moving in! Many have contributed in various ways, by giving and coming out to help with the project. We are so grateful for your help. Electricity is the last thing that's needed. We are still waiting for approval. Please continue to pray with us.

Mrs. Amber sprained her ankle earlier this summer; please pray for her recovery. We celebrated Josiah's 2nd birthday and Naviah's 11th birthday; we are thankful for our kids and for their help in the ministry.

Thank you for your prayers, investment, and your love for the Navajo People.

In Christ,

Ryan Nez
