

The Landings Airpark Owners Association Privacy Statement

Introduction: This privacy policy outlines how the Landings Airpark Owners Association collects, uses, and protects the personal information of residents accessing our website and related services.

Information We Collect:

- **Basic Contact Details:** Name, mailing address, phone number, and email address provided during registration or when contacting the HOA.
- **Property Information:** Unit/lot number, property details as needed for community maintenance and updates.
- **Payment Information:** Credit card details for HOA fees, if submitted through the website.

How We Use Your Information:

- **Communication:**
Sending important notices, community updates, meeting agendas, and reminders via email, text, or mail.
- **Community Management:**
Maintaining records for property management, addressing maintenance requests, and facilitating voting processes.
- **Directory Services:**
Maintaining an online resident directory (with opt-out option) for community interaction, if applicable.

Sharing Your Information:

- **Third-Party Vendors:**
We will not share your personal information with third-party vendors (e.g., website hosting provider, payment processor).
- **Legal Compliance:**
We may disclose information if required by law, court order, or to protect the safety of our residents.
Data Security:
 - We implement reasonable security measures to protect your personal information from unauthorized access, use, or disclosure, including encryption and access controls.

Your Privacy Controls:

- **Access and Update:**
You can access and update your personal information by contacting the HOA management office.
- **Opt-Out:**
You can opt-out of receiving non-essential communications by contacting the HOA office.
