The Safety Chair applauded our members for their participation and conducting themselves safely at our events.

The Engine chair was happy to report a good showing of members at all the events in the past year.

We reviewed the calendar with the 4th of July party plans at Bucky's after the parade in Benson, as well as St. David Pioneer Days July 19th.

In old business we heard the brake system has been purchased for the trailer. Greg and Lance talked about scheduling a time to get it installed. And thanks to Jim and Sharon Fieber we have new club T-shirts available now.

In new business we reviewed the voting results for the board positions with current board members Lyle Rasmussen and Rose Tidwell being re-elected for another 2 years. With no candidate for club president, we reviewed the results of numerous write-in votes. After much back-and-forth member Kevin Lange volunteered to fill the position of club President. Lyle Rasmussen, Kevin Lange and Rose Tidwell were sworn into office.

A call to the board led to a discussion of the financial Audit report. Management of the trailer and other responsibilities still need volunteers. And plans were made to get another shipment of Steiner merchandise this fall.

Greg passed the reins to new president Kevin Lange as the closing statements were made, and the meeting was adjourned at 2.02 p.m.
