### Rules

#### General

Residents who have been approved to store a dumpster/storage pod on the property shall comply with the following rules.

1. Designated location 1 is the middle visitor parking stall near the carwash area.
2. Designated location 2 is adjacent to the dumpsters located between buildings 211 and 213
3. Designated location 3 is adjacent to the grass near the dumpsters by building 207.
4. POD/DUMPSTER must be contained within the lines of the designated parking stall.
5. POD/DUMPSTER must be located in designated location.
6. The area around the POD/DUMPSTER and the area between the unit and the POD/DUMPSTER must be kept clean and debris free at all times.
7. POD/DUMPSTER placement cannot block or impede use of driveway or other areas of Gateway Peninsula Property.

8. All other rules and regulations outlined in the Gateway Peninsula House Rules apply.

I have read all rules and agree to abide by these and the Gateway Peninsula House Rules.
