JUMPSTART PROGRAM BENEFITS

Certification Support:

In addition to the certification training, students will have access to study materials, practice exams, and one-on-one guidance to ensure their success in the Salesforce Administrator certification exam.

Career Coaching:

Our Salesforce-certified career coaches provide personalized guidance on setting career goals, interview preparation, and networking strategies to help students excel in their job search.

Job Placement Assistance:

We offer job placement assistance, including resume review, interview preparation, and access to a network of Salesforce hiring partners.

Apprenticeship

Students will have the opportunity to apply for apprenticeship positions in Salesforce-related companies, allowing them to gain hands-on experience while building their professional network.

Volunteer Opportunities

We facilitate connections to nonprofit organizations and community projects that use Salesforce, allowing students to gain practical experience while making a positive impact on their communities.
