OUR PARISH

Our family of God strives to grow in our faith and ability to serve God's people inside and outside our walls. While we span the spectrum from liberal to conservative, we think of ourselves as unified by love for God and our neighbors. We are forward-looking in our thinking and mission, finding ways to draw in seekers of "something more in their lives" as we go.

We are not just wishing and hoping. With God's help we are using wisdom from the Invite, Welcome, Connect Program and are adding members and making good things happen even during our clergy transition.

We enhance our effectiveness by building caring friendships and providing opportunities to find and fulfill individual and collective purposes. We believe we are attaining our goals better by having fun in the process. It is a catalyst for motivation which lightens our hearts and magnifies our effectiveness.

Imagine how much more we could do with a similarly motivated Priest inspiring us spiritually, sharing their vision and partnering with us in our march for fulfillment of God's purpose. **Now imagine yourself in that role.**

OUR STORY

On Advent Sunday in 1956, a small group met at a home in Bloomfield Hills to discuss the establishment of an Episcopal mission. On a glorious Palm Sunday morning in 1961, the congregation marched the quarter-mile to their new church.

Our initial mission created by the founders of St. Stephen's continues to be carried on by today's families of St. Stephen's: a vital, warm, and giving parish. **Together They Did... Together We Will.**

We have opened our arms to all. We have a blend of faith journeys [most didn't start as Episcopalian], ethnicities, sexual orientations, and life experiences. We intentionally nurture a sense of family and make it easy for folks to find and fulfill God's purpose without pressure or guilt. We work to be a "Household of God" where all give as they can and receive as needed.

Our congregation prides itself on being welcoming and caring. They trust and enjoy each other. Faith and joy are not mutually exclusive, so many events are designed to be fun which makes it easy for folks to see each other as more than faces in pews [post-service fellowship, picnics, a "Greet, Eat & Meet" program of small group dinners at parishioners' homes, Twelfth Night & Irish Night dinners with singing, outdoor Celtic concerts, etc.].

Our congregation's commitment to our Mission remains strong, although our current budget forecast reflects some uncertainty and projects a deficit this year as shown in our Consolidated Financial Report & 2025 Budget.

However, we have assets to cover a deficit, including unrestricted assets in a Mission Development Fund of over \$183,000, plus over \$138,000 in various designated funds which support programs and mission. In addition, our Endowment Fund has over \$265,000.

While future membership growth is essential to support our long-term financial requirements and program operations, St. Stephen's is in a reasonably sound financial position for the foreseeable future.

OUR PASTORAL GUIDE

If your leadership style is reflective of a shepherd guiding talented, motivated lay leaders then you might be interested in St. Stephen's. We are looking for a compassionate and caring pastoral leader who is forward thinking about mission and ministries. We seek a close relationship with our priest and want a priest seeking the same. We seek someone warm hearted, open and friendly. A pastoral leader who is comfortable with people of all ages, encouraging diversity and wanting to engage and be involved in the local community.
