About Our CEO

Dr. Melissa D. Hill, CEO and founder of Cresland Development Group, LLC, brings a wealth of experience, particularly honed during her distinguished 20-year tenure as a senior journeyman chemist in the federal sector. Her transition into the real estate field was seamless, marking the beginning of a career characterized by diverse responsibilities. In real estate, Dr. Hill has excelled in quality assurance, program and project management, business analysis and management, organizational design and management, and professional development and training. Her federal experience is further enriched by past roles with USDA and HHS, offering a comprehensive understanding of various sectors. Dr. Hill's expertise extends across science, financial services, real estate, construction, and event planning, making her a versatile and accomplished leader at the helm of Cresland Development Group, LLC.

CAPABILITIES STATEMENT

OUR COMPANY

Cresland Development Group, LLC (CDG) is a 100% woman-owned consulting firm specializing in Program Management. We excel in the implementation of industry-leading standards to ensure project efficiency and accountability. Our unique value proposition encompasses a wide array of services, including administration, consulting, education and training, construction and facilities maintenance, and comprehensive expertise in management and marketing.

OUR MISSION

At Cresland Development Group, our mission is to provide exceptional service to our clients while upholding the highest industry standards and principles. CDG has firmly established itself as a cornerstone within the community, and our commitment lies in empowering, educating, and elevating our clients, exceeding industry norms, and delivering comprehensive global solutions. This dedication is unwavering and evident in every project we undertake.

- Woman Owned Small Business
- Well-seasoned management team
- Demonstrated strong performance
- Dedicated to enhancing client ROI

We nurture a setting where leadership, integrity, quality, communication, service, altruism, and continuous improvement embody the bedrock of our identity and guide our operational ethos. This framework reflects our core values of integrity, collaboration, excellence, accountability, customer-centricity, and innovation, which underpin our collective endeavors.

Recent Past Performance

- The CAN Agency

Managed the coordination of the DREAM DAY Conference, which encompassed tasks such as choosing the event location, negotiating contracts, developing the event website, vendor coordination, and identifying speakers and panelists.

- 9 Leaves

Managed the comprehensive construction project, which included securing necessary permits and licenses, coordinating with county officials, and overseeing subcontractors, for the interior build-out of a 3,372 square-foot commercial retail shop.

- Eastside Designs

Oversaw construction management for a complete daycare renovation project, which encompassed the build-out of two interior rooms, installation of a new bathroom, framing, and painting.

- Southern Food Kitchen

Managed the full-scale construction of a restaurant project, which involved replacing the flooring, upgrading lighting, constructing counters, and installing trim.
