

SUGARLOAF HOA Newsletter - Fall 2023

Welcome to a new year at Sugarloaf!

Thank you to everyone that made it to the annual potluck at the Community Area on Labor Day weekend. About 35 people attended, voted on the new Board members and ate a meal of hamburgers, hot dogs, delicious sides and yummy desserts! Thanks to all who attended and especially to those that donated food. There was no contest but a special thank you to the birthday-boy Fidencio "Wolf" and his family for contributing amazing tamales and bringing a cake to share.

The Board members for 2023-24, as voted in by you, are:

President,	John Larson	701-212-6109	mlarson46@Hotmail.com
Vice-President,	Elizabeth Baker	520-404-3536	
Secretary,	Catherine Burton	918-513-1897	catzilla39@yahoo.com
Treasurer,	Laurence Whitlow	928-240-0372	laurence.whitlow@gmail.com
Member-at-large,	David Sarricks	657-248-1927	sarricks@hotmail.com

A New Proposal was made by John Larson, to form a committee that will look into writing amendments to the bylaws that will enable the Board to enforce the bylaws. This committee was formed from 7 volunteers, 1 alternate, made up of full-time residents. David Sarricks was nominated to lead the committee; he accepted. Their proposals will be submitted to the Board before enacting.

On-site mailboxes are still in the planning stage with the paperwork for approval by USPS having been submitted. Decisions regarding amount of boxes to be installed, cost to residents, etc. to be determined after approval is received.

Directory News! Contact information for the Sugarloaf directory has been gathered and compiled. The goal of the directory is to be able to contact neighbors in the event of emergencies (ie fire, frozen pipes, loose animals, etc). There are future plans to form a phone tree that will only be used in the event of fire. The directory can be emailed to anyone that emails their request and will be updated as new information is received. If you want to be included in the directory, email your contact information to:
Please put HOA in the subject line.
