

who is.....

# HERITAGE MILLWORK INC

Established in the Spring of 1997 in Ramsey, Minnesota, Heritage Millwork Inc has been servicing the Upper Midwest Market as a two-step distributor of mouldings, millwork, and doors, supplying more than 250 dealers in Minnesota, Wisconsin, South Dakota and Iowa.

Originally stocking only a few interior door designs in two wood species to now over twenty-five door designs in nine species, along with unlimited special-order options. Our large warehouse accommodates bigger volumes eliminating the need to wait for your products. In addition to a wide selection of interior doors, HMI also stocks over thirty moulding profiles in seven species including MDF, with special-order moulding profiles and a full offering of stair parts. Exterior entry door inventories also continue to evolve and expand, including products that promote striking curb appeal and home security as well as product performance including rot resistant materials.

Most recently, in 2017 Heritage Millwork Inc opened Traditions Finishing Inc (TFI), a new pre-finishing facility, filling a growing desire amongst dealers to have products arrive at the job site finished and ready for installation. Together, HMI and TFI offer finishing solutions on all product lines in a wide range of colors

and finishes, including custom color solutions upon request. Over the last 27 years HMI has evolved and adapted as market conditions, industry, and customer's needs have changed. The one thing that has remained constant is our commitment to customers, employees, and suppliers. Founded on strong Family values, and still driven by those same principles, our dedicated Team of professionals is committed to exceeding expectations by delivering quality products and service.

# TRIM KITS (WINDOW BOX)

## Assembled Trim Kits Specifications

Assembled jamb box with casing

Jamb thickness of 5/8"

Works for Windows and Patio Doors

- Q-Lon weather strip applied

- Q-Lon Colors: Bronze, White or Tan

Face depths up to 5-3/4" Choose from seven species:

Alder, Maple, Oak, Pine, Poplar, Primed or White Vinyl

Extra wide face depths up to 15-3/4" Choose from four species:

Maple, Oak, Pine or Poplar

Prefinishing Available

## Unassembled Specifications

Face depths up to 5-15/16"

8', 10 and 12' lengths (subject to availability)

Choose from seven species:

Alder, Maple, Oak, Pine, Poplar, Primed or White Vinyl

Extra wide face depths up to 15-15/16"

12' length only

Choose from four species:

Maple, Oak, Pine or Poplar

Prefinishing Available
