

PRIDE BARCO LOCK COMPANY

Made in America Since 1952

Welcome to the home of the original and leading manufacturer of American-made Privacy Door Indicator Locks since 1952. You'll find our models K-250 & K-300, which are proudly made in the U.S.A., in hotels and motels across the country. Restaurants, pro-shops, hospitals, schools, public bathrooms, banks and government buildings choose durable and timeless Pride Barco Privacy Door Indicator Locks because they're made in America and they're built to last.

K-250-VL-ABZ

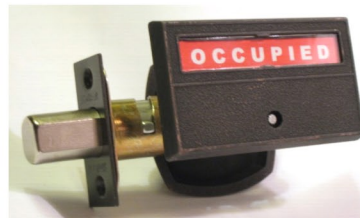

K-250 Series Privacy Locks

Our original Commercial-Grade Indicator Lock features a large highly visible indicator which can be read up to 30 feet away even in low light establishments. Available in any finish you can imagine.

The patented vandal-resistant surface keeps the K-250 Series Indicator locks looking great even after years of heavy use.

UNIVERSAL HANDING

Simply flip the deadbolt and template upside-down for left-hand doors.

The K-250 is equipped with UV-Protected OCCUPIED & VACANT labels for maximum durability even in outdoor environments.

The K-250 Series Indicator Locks feature Kwikset's durable adjustable latch which allows for your choice of 2 3/8" or 2 3/4" back-set.
