K-300 Series Privacy Locks

Our new model K-300 is identical to the K-250 except for the smoother polished surfaces. Available with the standard turn-knob: (K-300-V Series) or the A.D.A. Compliant 2" Lever: (K-300-VL Series)

K-300-VL-CH

K-300-VL-CH

K-300-VL-BN

Available in any finish you can imagine, the elegant and sturdy K-300 Privacy Locks feature the same Emergency Release Key as the K-250 Series.

K-300-V-BS

K-300-V-Zi

The K-300 is equipped with UV-Protected **OCCUPIED** & **VACANT** labels for maximum durability even in outdoor environments.

K-300-V-BS

K-300-V-Zi

The K-300 Series Indicator Locks feature Kwikset's durable adjustable latch which allows for your choice of 2 3/8" or 2 3/4" back-set.

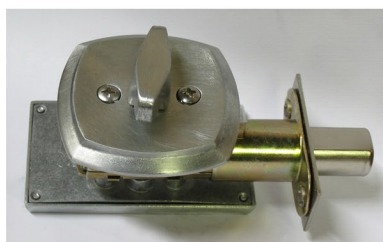

UNIVERSAL HANDING

Simply flip the deadbolt and template upside-down for left-hand doors.
