Fall Feast Potluck

Please bring the recipe for the dish you are sharing. We will also be doing a fall bulb project. You will need a shallow pot, maybe 4" – 6" deep and perhaps 8-10 round, so if this is something you do not have, look for something inexpensive this summer for the project. I will give you more details at the August/September meeting, as you will need a planter and some small houseplants if you choose to participate. There will be a small fee for this project yet to be determined.

Meet at Hinckley Town Hall

December Christmas Party

Will advise on date and place.

Yearly dues are collected at our first meeting. Membership dues are \$15.00 per person.

Members are asked to bring a snack to share to each meeting and a chair to the garden tours. If you are hosting a meeting, please provide the drinks, plates, napkins, etc... for the meeting.

Meetings are the third or fourth Monday except for Holidays or unless noted otherwise.

Please feel free to share any comments and ideas with Linda or Cheryl.
