Dear Participant,

Welcome to the 2024 Athelas season! We at Athelas are excited for another year of equine fun! Athelas is offering 5 five week sessions running from May 2024 through October 2024. The cost of a five week session is \$250 (\$50 per lesson). Riders must pay before the start of the session.

A reminder to all riders that you must notify Athelas at least 2-hours in advance if you will miss a lesson. Athelas relies on volunteers and their time is important. We ask our riders to please respect our volunteers and their time by calling when you cannot make it to your lesson. Additionally, Athelas incurs arena rental and instructor fees even when riders do not show up, so any “no-show” lessons which are not canceled by the client/rider 2 hours in advance will still be billed .

The winter riding (November through April) are billed per lesson (\$50 each), at the end of the month. Payment is due when riders receive their bill. If a rider misses a lesson without notifying Athelas in advance, Athelas reserves the right to bill the rider for the missed lesson.

Athelas offers scholarship opportunities through the Jo Ann Currie Scholarship Foundation. Scholarship applications may be picked up at the Athelas office at Northfield Farm, 1179 County Highway 5, Otego NY 13825, or printed from our website: www.athelastherapeuticridinginc.org. Please call Athelas at 607-783-2321 for more information.

We have attached the Participant Agreement packet. Riders must complete, sign and return all forms in the packet before we can schedule them to ride. All packets must have a current physical. We reserve the right to weight check any rider for the safety of both rider and horse.

Please make a copy of your completed packet and keep it in your files. After Athelas has reviewed and approved the completed Participant Agreement packet, our Instructors will contact the rider to set a schedule and start date.

Thank you for choosing Athelas Therapeutic Riding and for your support. We are looking forward to another great year with all of our riders!

Sincerely,

Jocelyn Marsh

Dear Participant, Parent or Guardian,

Thank you for your interest in our programming. We do offer scholarships through our Jo-Ann Currie Scholarship Foundation. We would encourage participants to consider applying for these funds. Applications for the scholarship can be found in the office at Northfield Farm where you come to have your riding lesson or you can apply at our website: www.athelastherapeuticridinginc.org.

Please review the following terms and policies for Athelas Therapeutic Riding, Inc. In order to maintain our excellence in programming and the safety of our riders, we ask that all participants and their families adhere to our policies. Failure to commit to these policies will result in loss of riding and/or barn time at the participant's cost. **Please initial next to each term and policy to indicate that you have read and understand it, as well as signing and dating at the bottom of this agreement.**

The following are the terms for enrollment in a Session(s):

1. The cost of a 5-week Session is \$250.00. _____ **Initial**
2. If a rider is ill or cannot attend their lesson for any reason Athelas should be notified at least 2 hours in advance of the lesson. _____ **Initial**
3. Weather conditions or instances of illness which affect the presence of the Instructor or proper coverage by volunteers will result in the cancellation of lessons by Athelas. _____ **Initial**
4. If Athelas cancels a lesson there will be no monetary refund. Athelas will give credit toward the next session. _____ **initial**
5. Please note there is no credit or make-up lesson given for a rider "no show" absence and the client/rider will still be charged for the lesson. A "no show" absence is one in which the client/rider has not provided 2-hour advance notice of their absence. Without advance notice, Athelas still incurs arena rental and instructor fees. **Again, there is no make-up lesson or credit given in this case, and lesson fees still apply.** _____ **Initial**
6. If a rider is not going to ride in the next Session, Athelas needs to be notified 2 weeks prior to the end of the current session so we are able to schedule another rider. _____ **Initial**
7. **Bad Weather Policy:** Lessons will only be canceled in the event of dangerous or threatening weather (e.g. thunderstorms, snow storms, very low temperatures). To determine cancellations, you can call the Athelas barn directly at (607) 783-2321, or call or text Anneliese's cell (607) 287-2468. **No credit or make-up lessons will be given for spontaneous weather events that result in cancellation (e.g. a thunderstorm that begins just before or during a lesson).** _____ **Initial**

8. **Clothing Requirements Policy:** Long pants and closed-toes shoes (with heels if possible) are required for riders. For safety reasons, we highly recommend that any parents, guardians or staff who will be standing near the horses also wear closed-toes shoes. **No sandals or flip-flops.** During the winter months, we require riders to have warm coats, gloves/mittens and socks that come above the ankles. _____ **Initial**
9. **Helmet Policy:** When near or on a horse, participants must wear an ASTM-SEI approved riding helmet. Athelas provides these helmets to those who need them. Please note that bike helmets, motorcycle helmets, or ski helmets are not acceptable. _____ **Initial**
10. **Late Rider Policy:** It is important for riders to arrive **5 minutes** prior to their scheduled lesson time. If a rider is more than 15 minutes late to a lesson, the rider will not be able to ride. Horses will be un-tacked and volunteers will be released 15 minutes after the scheduled start time of the lesson. **In addition, the participant (rider) will be charged the full lesson fee.** If however, lateness occurs due to Athelas the full lesson time will be granted. _____ **Initial**
11. **Safety Policy:** Athelas reserves the right, at any time, to refuse any participants who we cannot accommodate safely. _____ **Initial**
12. **Upon Arrival:** Participants, parents, guardians or staff must remain in the viewing room. An Athelas staff person will escort the participant, parent, guardian or staff person to the mounting block for the lesson. _____ **Initial**
13. **Non-client visitors accompanying the Athelas participant:** Any individuals arriving with the Athelas participant, other than the participant's parent, guardian or staff, must remain in the viewing room during the lesson. We do not allow individuals to enter the barn area or walk about on the property unattended by Athelas or Northfield Farms staff. _____ **Initial**
14. **Weight Limit Policy:** Rider weight limit is 210 pounds. Those who wish to participate in activities with horses, but are above this limit may be involved in other equine assisted programs. Ask staff about those opportunities. _____ **Initial**
15. **Non riding activity:** Athelas reserves the right to substitute a non-riding equine activity should they feel a rider is unable to safely ride at that time of their lesson. This can be due to rider or equine mood/behaviors as well as due to a lack of volunteers. Our riders safety is our number one priority and sometimes we need to make changes to the plan. _____ **Initial**

Family Size and Income: 2020 Federal Poverty Guidelines

Circle the number of people in your household (first row). Looking in the column below the number(s) of people in your household, determine where your income falls and circle that number. For example, if there are 3 people in your household and your income is \$23,000, then you would circle \$28,180 in the column for "3 Persons", because \$23,000 is equal to or less than \$28,180. Or if there are 5 people in your household and your income is \$40,200, then you would circle the \$43,170 in the column for "5 Persons", because \$40,200 is equal to or less than \$43,170.

New Rider Screening:

All new clientele to Athelas Therapeutic Riding Inc. must undergo a new rider screening which will allow for appropriate placement in our Therapeutic Riding Program. This screening gives Athelas the opportunity to assess you/or your child for placement as well as providing you time to meet with our Instructors, obtain all necessary information needed and to receive answers to any questions that you may have. Screening time slots are limited and offered throughout our weekly schedule. The screening costs \$50.00 per individual. During the screening our Instructors will evaluate the individual's behavior towards the horseback riding process including the individual's reaction to wearing a helmet, interaction with the horses, and the environment.

We have helmets that are available to borrow for the duration of the lesson; we ask that all riders wear long pants, socks, and closed toed shoes. If you choose to use your own horseback riding helmets, all helmets must be riding helmets that are ASTM/SEI approved. Our Instructors can answer questions regarding other horseback riding equipment. All participant paperwork must be submitted to Athelas prior to setting up your screening time. Please fill out the enclosed forms and mail them back to Athelas. Our Instructors will be in contact regarding available dates and times for screenings. Once the screening appointment has been completed the instructor will determine appropriateness for the program. An Athelas Therapeutic Riding Instructor will then follow up with the Therapeutic Riding Program's scheduling availability and confirm a weekly lesson day and time.

Thank you for your interest in our program.
