Built on floor-malted Maris Otter from the historic Crisp Malting Company, maltsters since 1870, Slow Hand honors British pub tradition, biscuity, smooth, and full of quiet character. A classic London-style pint, poured slow on nitro.

"MAGEE" – IRISH DRY STOUT (4.5%, NITRO POURED) 12oz - \$7 | 16oz - \$10

Built on Irish Stout Malt from the Malting Company of Ireland, with flaked barley, roasted barley, and chocolate rye, MaGee pours deep black with a cascading nitro head and a lasting tan foam. Balanced with Willamette hops, it delivers notes of espresso, cocoa, and toasted grain, dry, smooth, and timeless. Brewed in honor of our friend Michael MaGee (1980–2017).

MULE – PALE ALE (5.9%) 12oz - \$7 | 16oz - \$10

Our house pale ale and year-round staple. Soft and balanced with bright citrus, gentle tropical notes, and a smooth, pillowy mouthfeel. Light bitterness keeps it crisp and endlessly drinkable while still delivering fresh hop character. Approachable, flavorful, and unmistakably Light Years.

"POMPEII PILSNER" – ITALIAN INSPIRED PILSNER (5.2%) 12oz - \$7 | 19oz - \$10

Inspired by old-world Europe and rooted in our Italian heritage, Pompeii Pilsner is brewed with Eraclea Pilsner Malt, made from barley grown along the Italian Adriatic coast in the region surrounding the city of Eraclea close to Venice. This coastal origin barley lends a soft, rounded malt character with an elegant, refined body. Lightly bittered with Pacifica hops and cold-lagered for over a month, the beer finishes crisp, clean, lightly floral, and dry. *In memory of William Pompeii (1915–1996).*

"CLONE 4" – IPA (6.5%) 12oz - \$7 | 16oz - \$10

Batch #4 in our evolving Clone IPA series. A bright, juicy IPA bursting with layers of tropical fruit, ripe pear, citrus, and dank resin. Brewed with a massive whirlpool of Cascade, then dry-hopped with Citra, Mosaic, and Strata for a saturated hop aroma and smooth, refreshing finish. Balanced bitterness, full hop flavor, soft texture, and that signature Light Years balance.

"SHADOW CLONE" – DARK IPA (6%) 12oz - \$7 | 16oz - \$10

Deep brown with a soft haze, this Cascadian Dark Ale balances gentle roast and cocoa notes with expressive hops. Aromas of pine, citrus peel, and subtle tropical fruit lead into a smooth, lightly bitter finish. Fresh, aromatic, and perfect for entering the shadows of winter.

"WILD PRESENCE" – WILD FARMHOUSE ALE (6.5%) 8oz - \$10

For this batch of Presence, we conditioned it with organic tart cherry juice and local raw honey, then aged it for over six months with our house wild mixed culture first developed in Once. The result is a rustic farmhouse ale that's bright, earthy, and alive, with notes of cherry skin, subtle honey sweetness, clean mineral effervescence, and just the right touch of funk.
