

VOLUNTEER ATONEMENT REPARATION PLAN

Volunteer Reparations is a no-tax Volunteer Reparation Plan, based on Donations. The donations are used to fund Reparation Programs that bring healing and equity to families of Descendants of American Slaves and satisfies Americas need for Atonement and Forgiveness. Volunteer Atonement Reparations provide America with an opportunity to recover its humanity from participation in the transatlantic slave trade and unjust enrichment. It provides the means for people to clear their conscious, answer to a higher power and donate freely, according to their own heart. America was founded on Judeo Christian Principles. The American People are ready to answer to God for the sin of slavery, They are ready to *atone* and give to Reparations. Descendants of American Slaves have a moral and financial claim to Reparations. By the Laws of God, the United States owes a debt that must be paid. Save the Soul of America, Volunteer Atonement Reparations is the *solution*.

REPARATION PROGRAMS

The Volunteer Atonement Reparations Plan provides Reparation Programs to rectify the effects of social economic oppression on Descendants of American Slaves and uses donations to provide healing from multigenerational marginalization and inequitable treatment. Reparation Programs offer healing, equity and quality of life to children, youth, adults and families.

REPARATION PROGRAM DELIVERY THROUGH LOCAL COMMUNITY CHURCHES

To guarantee atonement, Save the Soul of America Reparation Programs will be delivered through local community churches across America. Reparation funds will be added to the Churches general operating budget enabling them to expand their outreach to serve the marginalized and oppressed population in their communities.
