MINISTER' REPORT TO THE BOARD, CADIZ CHRISTIAN CHURCH

OCTOBER 9, 2024

I'm glad to be in Cadiz. My first day in the office was Tuesday, Oct. 1. I was in the office all day Wednesday, Oct. 2 and attended the Elders' meeting that evening. Sunday, Oct. 13, will be my first day in the pulpit.

I had a Zoom meeting with Dr. Donald Gillette and the Rev. Rachel Nance-Woehler on Wednesday, Oct. 9, to discuss West Area and Regional upcoming events and to discuss my time here as transitional interim minister.

I've begun contacting homebound, sick, and inactive members. Since I won't meet some of them at church for a while, I wanted to introduce myself and get to know something about them. In doing so, I discovered that some of the contact info in the directory that was in the office is out of date. That may be a project or goal for us to consider.

I've also been informed of the All Disciples Sing event at Owensboro on Sunday, November 17 (a west area program) and the Church Narrative Project on November 15 & 16 at Beargrass Christian Church in Louisville. If there is any interest in either of those, we could discuss participating.

I am looking forward to my first meeting with the Transition Team and a meeting next Monday with the youth director to discuss activities for the remainder of 2024.

Grace and Peace, Ron Buck

Thank You To All From Laura & Dan

Laura and Dan sent a Thank You to all who sent cards, texts, and calls after her mothers death. "Dan and I greatly appreciate your thoughtfulness and prayers for our family. Thank you for the lighted ceramic church that is a lovely reminder of my mom and your kindness to us. This church became her church, especially late in her life. We are so grateful for all of you who made her feel so welcome here. She told me many times how nice everyone at this church is. She loved the attention to her and even more to Dan & I. We love our church family and are so thankful to have all of you in our lives. May God bless each of you greatly."
