Minister's Report for January 8, 2024, Board Meeting

December was a busy month, as my third month at Cadiz was filled with Advent activities, local outreach opportunities, and even a community Advent music service at Cadiz Methodist Church. In regard to outreach, in addition to the Blessing Box and all the people served by it, we were able to assist at least 11 local families, including the three from the Angel Tree. The Transition Team had a very productive first meeting on Monday, December 9. We will meet again in January, but that will have to be rescheduled due to the changes caused by the weather this past weekend. The Committee should be able to complete its work in February and present its suggestions to the board at the March board meeting. A joint meeting for Elders and Deacons was planned for Monday, January 6, but had to be rescheduled due to icy conditions. It has been rescheduled for Monday evening, January 13.

I have been able to get to know more of the members, including some who are not able to attend church, or not able to attend regularly. It is important to be able to provide a pastoral presence for ALL members and not just those who are able to be active.

Have a Merry Christmas, Ron Buck

Youth Group Activities:

As I'm working on planning ahead for the youth group activities, something that was suggested was progressive dinners with the children. The first one I'd like to do is on February 23rd. I'm looking for three families who either live relatively close to each other, that we can go from house to house or we can hold it in the Jefferson house. It will be a 3-course meal consisting of an appetizer, main dish and dessert.

The thought is to have one every other month, so in April and June, I'd plan it for the beginning of month. If you'd be interested in participating or if a group of people want to do one of the months, please let me know. I'm hoping this will help the children get to know those in the congregation better.

Thank you and God Bless,
Melissa
