Minister's Report for February 12, 2025, Board Meeting

January 1 marked the beginning of my 4th month here as transitional interim. The time has passed very quickly and we still have a lot to do before the transition to the new settled pastor takes place. We did not make any progress with the Transition Team in January and it has been next to impossible to schedule a meeting in February. We plan to meet on Monday, March 10, and may be able to complete our task at that meeting. If so, we can present our report to the board on March 12.

I worked with Melissa in planning activities for children & youth through the spring. I also made some pastoral visits, both in person and by telephone. I continue to try to stay ahead regarding worship planning by at least two weeks, so that both Laura and Kim will have the information they need in order to select music and prepare the bulletin. I try to stay connected to West Area and Regional events and have registered for clergy boundaries training and the West Area Workshops on March 1. I am also considering registering for the Kentucky Disciples Clergy retreat in April.

Grace and Peace, Ron Buck

Youth Group Activities:

- ◆ February 9, 2025 the youth group made chocolate-covered strawberries and had delivered them to various members of the congregation.

The Youth Group received a handmade Thank you note from Jean McGee. She wrote Never Stop doing Little Things for others. Sometimes, those little things occupy the biggest part of their heart. You will always be in my Heart. Thank you...To all of the children who spent time to make gifts for older people—Thank You! Your card was so pretty and the strawberries were so delicious—yumm.... I am almost ninety years old and my favorite people are children. I love and appreciate your kindness and your caring enough, and your love.
