Minister's Report from April 9, 2025 Board Meeting

March was incredibly busy here with hospital and other pastoral visits and the beginning of the Season of Lent and preparing for Holy week and Easter.

I attended the March board meeting, elders meeting, and the transition team completed its work and submitted the results to the board. Melissa and I planned activities for children & youth, including a lesson about the Holy Spirit and the wind and a lesson on baptism and a brief exploration of the baptistry. We also had a progressive dinner on the grounds of the church and Dr. Tom. Martin and Carol provided dessert and Tom gave a tour of Jefferson House and told the youth some interesting stories.

On March 16 and 30, I presented information about the history of the Christian Church (Disciples of Christ), as well as a discussion of our core beliefs and the reasons behind the things that we do as Disciples.

We had a baptism on March 23, and it was the first time I have performed a baptism in a baptistry that was under the floor of the chancel. That was a bit of church history for me as that sort of baptistry used to be fairly common but seems to be rare in recent years.

Grace and Peace, Ron Buck
