Description of the Journeyman & Master Plumber Test: A 50-question multiple choice, open book exam will then be administered. There will be general questions from all chapters, illustrations, tables, charts and drawings. The time limit for this section is two (2) hours. The proctor will allow you a short break at the completion of the open-book exam. Applicants will be given 100 questions, multiple choice, closed-book exam. There will be general questions from all chapters, illustrations on DWV sizing, gas pipe sizing, storm drainage and water pipe sizing. The time limit for this section is two (2) hours. After completing the test, the applicant must leave the testing facility and will not be permitted back in for any reason. The exam will be on the current adopted edition of the Uniform Plumbing Code (UPC). Successful applicants shall score a minimum of 75%. Successful applicants will be issued a color-coded picture identification card and certificate. Journeyman plumbers are required to carry his/her card during his/her work hours.

Misconduct: Cheating of any kind will not be tolerated. If it is determined that you are cheating during the exam process, you will be required to immediately surrender the testing materials and leave the testing facility. Your score will be recorded as zero percent and your test fee will not be refunded. Further, you will be ineligible to test for one year.

The Testing Day:

All applicants shall bring with them the following items:

1. The 2024 edition of the Uniform Plumbing Code
2. Admission Letter and a valid photo ID

It is suggested that you bring a handheld pencil sharpener, eraser, and a silent, battery-operated, non-printing, nonprogrammable calculator. (A non-programmable calculator that does NOT have a full alphabetical keyboard).

All other electronic devices are prohibited.

Note: Materials will not be available at the testing site. No handbooks, computers, notebooks, audio/visual devices, recorders, plumbing illustrated books, notes, drawings or

papers of any kind will be allowed in the testing facility. Friends, relatives and children will not be permitted in the testing facility. Please do not bring drinks or food. Smoking will not be permitted in the testing facility. Applicants will not be permitted to leave the testing facility until their exam is completed or test materials have been returned to the proctor.

Scoring:

Each test will be scored individually. Your score will be based on the number of questions you answered correctly. You will not be given credit for any answers not marked, left blank, or marked with more than one answer on the answer sheet. For the written exam, your score will be mailed to you within 30 working days after the examination date. All scores are mailed simultaneously. To ensure confidentiality, examination scores will not be given over the telephone. For the computer-based exams, the results are given as soon as you finish taking the exam. Cards and certificates are mailed about a week later. If you pass the examination, you will receive your certification card in approximately 30 days. If you do not pass the examination, you will receive information with your test results about retaking the exam.

Challenging Exam Questions or Answers

All questions, answers, and illustrations have been certified by a panel of plumbing professionals as to their correctness and accuracy to the 2018 UPC. Each question has only one correct answer. You are to select the best correct answer among the four possible answers. If you believe a question or answer to be incorrect or you believe it is not in the 2018 Uniform Plumbing Code, we invite you to submit a Question-and-Answer Challenge. All challenges of questions or answers shall be submitted to the proctor before you leave the testing facility on the Question-and-Answer Challenge Form. All challenges will be submitted to the NBOPE and you will receive a written response within thirty (30) days.
