Holiday Season - Tips

Protect Your Packages: With increased online shopping, remember to take precautions against package theft. Consider having a neighbor or friend pick up your deliveries if you're out of town.

Fire Safety: Test your smoke alarms and keep a fire extinguisher handy. If using a live tree, keep it at least 3 feet away from flammable sources.

Pedestrian Safety: Remind guests and family to be aware of their surroundings, and encourage residents to use sidewalks, especially after dark.

Noise guidelines: Reminder of the HOA's quiet hours, especially during evening gatherings. The quiet hours are from 10 pm to 08 am.

Guest parking: With more visitors coming to the neighborhood, a friendly reminder about our guest parking rules.

The City and County of Honolulu Department of Environmental Services has issued its holiday schedule for refuse collection and disposal for Thursday, **December 25, 2025 (Christmas Day) and Thursday, January 1, 2026 (New Year's Day)**

No collection services: There will be no refuse, mixed recyclable, or green waste collection on either holiday. Therefore, please be mindful filling our refuse containers and recycling bin.

Junk Removal continue....

This is a final reminder that all personal items and junk must be removed from the common area storage room by **Date: December 31, 2025**. This includes items stored in the designated bicycle and surfboard areas. A prior notice was posted in October explaining this policy.

The storage room, including all common spaces, is for approved items only to ensure safety, accessibility, and compliance with our community's governing documents. Unused or abandoned property in common areas can be an eyesore and a fire hazard, and will be removed and disposed.

Approved storage items

Only the following items may be stored in the designated racks:

- Bicycles and Surfboards of existing residents
- In-House staff paint supply / material
- Pool furniture / umbrellas
