Klean Strip Acetone Thinner - Specialty Thinner

Special Purpose Thinner, Cleaner and Remover

Klean Strip Acetone Thinner is a strong, fast-acting solvent which can be used as a thinner and remover for specified coatings, including polyester and epoxy resins, ink, adhesives and contact cement. Klean Strip Acetone Thinner is effective on the completion of a fiberglass project, for removal of excess fiberglass resin or foreign material from solvent-tolerant surfaces.

Klean Strip Acetone Thinner Features & Benefits

- For thinning and cleaning fiberglass, epoxy and superglue before they harden
- Heavy duty degreaser
- Fast evaporation Thins fiberglass and polyester resins, vinyl and adhesives
- Great for cleaning up after fiberglass projects

Klean Strip Acetone Thinner Specifications

Active Ingredient : Acetone

Biodegradable : No

Capacity : 128 oz

Concentrated : No

Container Type : Metal can

Energy Star Compliant : No

Indoor/Outdoor : Indoor/Outdoor

Item Package Type : Metal Container

Low VOC : Yes

Manufacturer Warranty : N/A

Odorless : No

Paint Product Type : Chemical/Thinner/Stripper

Paint/stain stripper : No

Product Form : Liquid

Product Size (oz.) : 128

Product dispenser type : Can

Solvent type : Acetone

Thinner application : Polyester resin

Use Location : Interior/Exterior
