A letter from your president:

"Hello Hazelwood, I am honored to be elected President of the greatest neighborhood in Louisville. I bring over 20 years experience working in the nonprofit industry, and I am committed to utilizing my experience to its maximum potential to help improve our neighborhood. I have enjoyed meeting neighbors and visitors and utilizing all the restaurants, stores and healthcare services in our neighborhood. I'm looking forward to the completion of the new senior living development and the market rate development that will be starting soon in our neighborhood, and the new people it will bring. I am available to talk most anytime, and you can reach me by phone or text at (502)650-8204, or by email at [hazelwoodneighborhoodassn@gmail.com](mailto:hazelwoodneighborhoodassn@gmail.com). LOUISVILLE, Ky. (WAVE) - A 7-year-old girl died after a **hit-and-run crash** in the Iroquois neighborhood Sunday afternoon.

Madison Marie Fisher, known to her family as May May, died at the hospital after the multi-vehicle collision on Taylor Boulevard near Iroquois High School. Her grandmother was also injured in the crash and is recovering in the hospital with broken bones.

Louisville Metro Police Department (LMPD) said a car traveling north on Taylor Boulevard at high speed ran off the shoulder and hit a utility pole. After hitting the pole, the car continued across all lanes of Taylor Boulevard and struck a southbound vehicle carrying Fisher and her grandmother.

The impact caused the second car to hit a third vehicle that was parked off the road, police said.
