## 2020-2021 Friends & Family Virtual Fundraiser

Dear Band Friends & Family,

The Band Boosters are continually appreciative of the wonderful friends and families who support the fantastic students who participate in the Westfield Band and Guard Programs. The Westfield Band and Guard Programs have benefited from the support and participation of so many of you in the various fundraisers that have supported the program throughout the years. We hope you and your families are all safe and healthy and thank you for all you do for the Programs and the students.

Everyone is facing unprecedented challenges in the face of the COVID 19 crisis. We recognize that the traditional types of fundraising that have supported the program over the years are not logistically possible. Currently, many of our traditional fundraisers have been adversely impacted. However, we want to continue to support and plan for the growing and exciting Westfield Band and Guard Programs. This Virtual Fundraiser is intended to be an affordable, optional opportunity for friends and families who are able and would like to participate.

Westfield High School Band Boosters is a 501c3 tax-exempt organization that supports the Westfield High School Band and Guard Programs. The money the Band Boosters collect in student fees, sponsorships and fundraisers supports the Programs, including the funding of the following:

- Supplemental Music Instructors
- Uniforms, Instruments and Music Licensing
- Scholarships
- Contest Fees and Contest Transportation (trailer, buses, etc.)

If your personal situation allows you to help the Westfield Band and Guard Programs at this time, we ask that you consider this new, optional virtual Friends & Family Fundraiser as a way to support the Westfield Band and Guard Programs.

Please share this opportunity with parents, grandparents, family and friends. The virtual nature of this fundraiser also allows for distant loved ones to support the Westfield Band and Guard Programs.

We are so fortunate to live in a community that values education and the arts. Westfield High School was recently ranked as one of the top 10 Indiana Schools and in the top 4% of all schools nationwide in 2020. We all hope to be able to provide the students with a continued exceptional band and guard experience as soon as possible. Mr. Muth, the Director of Bands, along with the Westfield Band and Guard Programs Staff and the Band Boosters are excited for the future of the program and look forward to getting back to work when conditions allow.

Thank you for considering this opportunity to support the Westfield Band and Guard Programs. Most importantly, we wish everyone continued good health and happiness. We miss everyone!
