

Holiday Craft Show Update August 30, 2020

After much discussion among the Holiday Craft Show Committee and Westfield Band Boosters, and with the administration at Westfield High School and Westfield Washington Schools, and careful consideration of guidelines from the Indiana Department of Education and the Hamilton County Health Department, we are disappointed to announce that we do not feel able to continue with the LIVE INDOOR Holiday Craft Show in 2020. From the beginning, while planning for the Holiday Craft Show and working toward maintaining best health and safety practices in light of COVID-19, our goal has been to prioritize the health and safety of our volunteers, shoppers, and crafters, while continuing to provide a unique holiday shopping experience and to raise funds to support the WHS Bands programs. We simply do not feel able to manage this with a live indoor event at this time.

HOWEVER...

We are very excited to be hosting an online/virtual event occurring on and around Saturday, November 21, 2020. In addition, we are hoping to have a live outdoor event on a Saturday in October. More details will be forthcoming as soon as possible. We sincerely apologize for the delays; we had hoped to have all the pieces of information ready to be distributed, but we are developing new processes while working within multiple systems to try and create these events and this development has been slower than we had hoped. We did want to share the above information, in order to be transparent with what we know at this time and the plans we are working on.

We are still accepting applications for the 2020 online/virtual and (possible) outdoor events. If you are interested in being a vendor please go to <https://www.craftshow.rocks/home/index> to sign up and submit an application.

There are so many changes happening daily related to COVID and complicated by construction around WWS. We are grateful for your patience and understanding. Please contact us if you have any additional questions at craftshow@westfieldbandboosters.org.
