Note: This is just a partial list. We update the list as more awardees are submitted.

The STAR AWARD, an acronym for Student Teacher Achievement Recognition Award, is one of the main projects of EASTERN SAMAR CANADA ASSOCIATION (ESCA). The above list of students is the 3rd batch STAR awardees. This program was started school year 2007-2008.

To inspire our youth to study harder, the STAR award consisting of Php 5,000.00 cash incentives plus a Certificate of Recognition for Academic Excellence are given to POOR but high-achieving high school students in the Province of Eastern Samar every end of school year.
