

Worksop Christian Centre

17th March 2010

This week the Government's guidance concerning the Coronavirus epidemic has been greatly strengthened. Consequently, our leadership team have met and agreed that we need to make significant changes to the weekly schedule of events.

All church meetings are cancelled with immediate effect. This includes the Sunday Services, Wednesday Prayer Meetings, Blast-off, and Chatterbox.

We are aware that this may continue for many weeks, so we are looking at how we need to adapt to make the best of the situation.

Sunday Services

Last Sunday's service was broadcast live on Facebook, and to date there have been over 950 views! Amazing! Well done to those who got it set up. The plan is to keep broadcasting live each week, if possible. In this way all of us can continue to be part of church even if we are not actually meeting together. At the same time, we welcome comments and suggestions to help us improve the quality of the live feed.

Wednesday Prayer Meeting

Although there will not be the usual prayer meeting tomorrow evening or on future Wednesdays, we are hoping to have some sort of live feed on Facebook for you to get involved with. The details are still being worked out, but the link for viewing the live feed will be <https://www.facebook.com/WCClifechurch/>

Other matters

Self-isolating for up to twelve weeks is a daunting prospect. If you are self-isolating, please let us know. We would very much like to help you in whatever practical ways we can.

We also would appreciate hearing from anyone who can help with this need. It maybe you could deliver food to someone who is house bound. Or, perhaps you could keep in touch with someone by phone. Please let us know if you are willing to help in whatever capacity.

In your prayers, remember "*God is our refuge and strength, an ever-present help in trouble.*" Ps 46:1
