

Workop Christian Centre

13th March 2020

Coronavirus (Covid-19) is dominating the news at the moment, and so our Leadership Team met this afternoon to discuss how we as a church should respond. It is an ever changing picture, but here is what we have decided for now:

Until or unless the Government guidance changes, **Sunday Services will continue as normal** and we look forward to seeing you. However, if you are not feeling well (temperature or cough) then please stay at home and self-isolate.

Of course we do need to take a few sensible precautions and make a few changes in the light of the Coronavirus, so here are a few things to bear in mind:

Sunday Services

1. An anti-bacterial hand sanitiser will be available at the front door - please use it when you first come in.
2. Please avoid direct physical contact - this means no hugs and handshakes for the time being.
3. Please wash your hands as regularly as practical.
4. "Catch it, Bin it, Kill it" is the current mantra, so please use tissues or your inside elbow for coughs and sneezes.
5. The cafe will be shut during this epidemic. There will be no teas or coffees, so if you need a drink please bring bottled water.
6. There will be no Breaking of Bread during the service. We encourage families to break bread together at home instead.

Other Events

1. There will be no Wednesday **Evergreen** lunch until further notice.
2. Other activities will be constantly reviewed, but for the time being are still running.

Help and Support

In the event we become aware of people in need, we will be asking folk to be ready to help with shopping or distributing food to those in need. If you are willing to help with this, please let Alister know (Email: Alister.Shaw@CPRuk.net, mobile: 07768 008527).

If you are willing to help clean and sanitise the church, please also let us know.

Worksop Christian Centre

We will be reviewing the situation each week and will keep you informed of any changes. For this to work, please ensure we have your up to date contact details so you can be included in all updates. You can report any changes to admin@wcc-church.com.

We are also going to see if we can broadcast our Sunday Services live on Facebook so that those who are not well will not miss out altogether. We hope to trial it this week and see how it goes.

We know some people are quite anxious at the moment, so we thank you for your help and cooperation during this difficult period. Let's keep praying as well.

Leadership Team
