

Worksop Christian Centre

18th April 2020

The lockdown continues! And so does the grace of our Lord Jesus, to help us through this time (Galatians 6:18)

A big thank you to everyone who contributed to the 21 days of live broadcasts leading up to Easter. It was quite a marathon for those involved, but the display of talent in our church was outstanding – those in front of the camera and those behind. Thank you!

Well, we now know that the lockdown will continue for at least the next three weeks, so we are putting plans in place to help us all continue to experience Christian family fellowship even when socially distancing.

There will be a live broadcast every **Sunday evening** at 7:30pm. It will run for about an hour and can be found at the usual place on www.facebook.com/WCClifechurch/. One reason for having our broadcast in the evening is to enable those who would like, to watch other services in the morning. There are some excellent churches across the country broadcasting their services during this lockdown, so it is a unique opportunity to receive an extra blessing each Sunday.

On **Wednesday evenings** there will be a 'Prayer & Worship' meeting on Zoom. It will start at 7:00pm and you can join it by clicking this link:

You will also need the following details:

- Meeting ID: 990 9132 2413
- Password: 035530

If you are not sure how to use Zoom, please let us know. We will be pleased to help.

Our **young people** have their own Zoom meetings and other activities coordinated by Jared, so if you wish to be involved, please keep in contact with Jared.

At the moment there is nothing organised for the **children**. If you would like to be part of a team putting material together specifically for them, please let us know. It will be really good if we can put on something for the children during this time of staying indoors.

Finances: Even during a shutdown the church has financial commitments to meet, so we are grateful to everyone who is continuing to give to the Lord's work even under these difficult circumstances. Thank you!

Shopping: Currently there is a small team of volunteers going the extra mile to shop for people in Worksop who cannot get out during this pandemic. It is proving to be a tremendous opportunity to share practical Christian love and we have already had several heart-warming stories of how much this simple act of kindness has greatly impacted the recipients. We could like more shoppers. If you can join this team, please let us know. We would love to hear from you.

If you have other questions not covered in this email, please let us know and we will do our best to help.

Finally, please continue to pray for all the people on the frontline of this pandemic, and for the political leaders trying to navigate the best course through it.

Keep safe and God bless.
