RULES AND REGULATIONS FOR ABOVE GROUND POOLS & SPAS

The following Rules & Regulations apply to the construction of above-ground pools, hot tubs and spas as set forth by the Architectural Control Committee.

POOL RULES:

1. Property Owners must dismantle and remove the pool from the premises upon sale and/or rental of the home; or the new property owner must apply for a continuance of the permit.
2. Pools must have fencing of at least 6 feet in height with a locked gate, or as per applicable municipal or state law, or to be no more than 10 feet high.
3. Property Owners must apply for a permit with the Penn Forest Township as well as a Rhodo Mountain Estates ACC Permit. Property Owners must include a plot plan which is to scale and must reflect the size of the pool, distances from all property lines, height of fence, distance from the septic mound, and location of the locked gate.
4. Property Owners must have this form notarized and returned with the completed permit.
5. Setbacks as follows:
 - a. Pool must be in rear of the house
 - b. Pool must be at least 20 feet from the side property line
 - c. Pool must be at least 25 feet from the rear property line

SPA RULES:

1. Spas must have a securable, lockable cover.
2. Property Owners must apply for a permit with Penn Forest Township as well as Rhodo Mountain Estates ACC. Property Owners must include a plot plan which is to scale and must reflect the size of the spa and the location of the spa.
