

## About the gallery:

The River Campus Art Gallery exists to provide community leadership in Southeast Missouri in the presentation of relevant contemporary art. The Gallery seeks to promote creative experimentation, academic dialogue and the cultural enrichment of campus and local communities through exhibitions of emerging and established artists. The Gallery is dedicated to serving these communities by offering diverse exhibitions programs focusing on current issues and practices in the visual arts. Also, the Gallery works in tandem with an educational program of artists' lectures, gallery talks, student and faculty display opportunities and outreach.

All exhibitions, lectures and events are free and open to the public. Visitor parking is ample in front of the Cultural Arts Center, located near the Seminary Building.

The River Campus, Seminary Building and River Campus Art Gallery are handicapped accessible.
