FAITH FORMATION PROGRAM OVERVIEW

FAMILY & CHURCH COURSE

The Archdiocese encourages all parishes to provide a structured course of study that combines the efforts of parents and the Faith Formation program. There are scheduled class times for each grade, along with weekly lessons. The ideal model of religious education is one which has its focus on the Eucharist, which is the center, source and summit of our faith! Everything we do should lead to union with our Lord and Savior, Jesus Christ, whose sacrificial love guides us to a life of holiness! **Therefore, All class sessions include attendance at Mass. See the schedule of classes for more detailed information.**

KINDERGARTEN

Students in Kindergarten meet monthly according to the Class Schedule with "Time with Jesus" lessons to complete at home with their families. This is a special time to bring faith alive to our young children as they learn their prayers and open their hearts to God's goodness. Students will complete weekly assignments and bring them to Mass on designated dates. There will be a parent meeting to receive further details.

GRADES 1 AND 2 - FIRST HOLY COMMUNION PREPARATION

Students are required to successfully complete Grade 1 in order to prepare for the Grade 2 Sacramental Preparation Class. Students and families take part in our “Mass is Class” format, with families attending weekly Mass together. It is only through participation at Mass that children understand the meaning of receiving Jesus in Holy Communion. It is at Mass that we hear the Good News of Christ’s love and receive Him into our hearts in the Holy Eucharist.

First Holy Communion May 10, 2025 @11:00 AM at St. Basil the Great Parish
