MEETING MINUTES:

The meeting was called to order by President Jim Petrick at 1:50 p.m.

- 1) Treasurer Virgil Mink reviewed the current club financials and all are within budget projections. So far this year, the club is averaging 4-5 more players per round than last year.
- 2) Club Membership rosters were reviewed and corrected. We currently have 72 members.
- 3) The board discussed ideas in how we can better put parings together so players get the opportunity to play with all club members. A suggestion was made to do a random drawing at least once a month. Jim Petrick and Dave Miller will take suggestions made and try to incorporate them into how they assign player groups.
- 4) We are still having issues with players not properly cancelling tee times. Club policies specifically state that *"players must notify Jim Petrick either the night before or the morning of play if they are canceling. Players that fail to properly notify Jim Petrick of a cancellation will be assessed a \$10.00 fee."* In emergencies, the \$10.00 fee will not be assessed.
- 5) A question was asked as to who could play from the Combination Tees at Falcon Ridge. Any player can play the Combo Tees and the course handicap will be adjusted accordingly. For example, a 15 handicap white tee player would have the handicap adjusted by 4 strokes if playing from Combo tees. The player must make sure a "C" is written on the score card indicating they played the Combo tees.

The meeting was adjourned at 3:00 p.m.
