2021-2022 MEMBERSHIP APPLICATION/RENWAL

I hereby apply to the Mesquite Men’s Golf Association (MMGA) for membership. Upon acceptance, members agree to abide by the bylaws of the organization and abide by the USGA rules of golf as well as the rules of the golf courses on which the association conducts it activities.

All new members are considered “on probation” for the first six (6) rounds after completing the initial membership application requirements. The MMGA Board Members will review the new members on course conduct and compatibility with other members to determine continued qualified membership. Any new membership status revoked by the board will result in removal from MMGA membership and all money paid directly to the MMGA will be refunded. If a Mesquite Golf Pass was purchased for the removed member then he will keep the card and the balance of the money paid will be refunded.

Membership in MMGA includes membership in the Southern Nevada Golf Association (SNGA) with handicap upkeep (\$30). This provides access to SNGA sponsored events, access to two weekly MMGA events and other MMGA team events. MMGA membership also includes the annual Mesquite Golf Pass (\$150). The Mesquite Golf Pass entitles members to discounts and free rounds of golf at many local courses. Details of the membership benefits can be seen at: <http://mesquitegolfpass.com/>

The cost of dues is \$225 for new members and \$175 for renewals. Dues must be paid no later than December 1, 2021 in order to continue uninterrupted membership.

Members must also separately purchase the 2022 Mesquite Gaming – Golf Member Pass (\$65). This pass entitles members to discounts at the Casablanca and Palms golf courses (both are MMGA event venues). This pass must be purchased prior to MMGA events at these courses.

If you have a current GHIN handicap then you can immediately participate in the Net payouts during regular play. If you do not have an established GHIN handicap then you are not eligible for Net payouts until completing a minimum of 5 rounds to establish a handicap. During this period, you are still required to contribute \$10.00 for each round played but are ineligible for Net payout until you have an established handicap.
