MEETING MINUTES:

The meeting was called to order by President David Miller at 12:12 p.m.

- 1) The Board discussed how we want to schedule future golf dates at Falcon Ridge since the prices have increased significantly in 2025. We have heard many players suggest that they will not play Falcon Ridge. Also, Falcon Ridge is closing the front 9 holes this summer to make improvements, and we would be required to play the back 9 twice. The board also agreed that we want to continue to schedule two golf dates per week. Based on these issues at Falcon Ridge, the following motions were made.
 - a. A motion was made and passed to NOT schedule play at Falcon Ridge from June thru August because of the front 9 being closed. Tom Durenberger will schedule two days per week on other courses during these months.
 - b. A motion was made and passed to NOT schedule play at Falcon Ridge from January 12 thru May 31 and October 5 thru December 31 when prices are over \$100. Tom will schedule play dates at other Mesquite golf courses during periods of high prices and cancel the play dates at Falcon Ridge starting January 2025. If another course can't be scheduled to replace Falcon Ridge, then we will keep the Falcon Ridge play date to ensure that we have two days a week scheduled. The Board also realizes that we will probably not be able to have enough players sign up to fill the scheduled number of players. Therefore, we will be required to give Falcon Ridge a two-week notice of the number of players to expect so they can fill the other vacancies. If members sign up to play at Falcon Ridge, then every effort must be made to honor that commitment.
- 2) The Board discussed the upcoming Club Championship and Gary Denhalter reported that all arrangements have been made for food and prizes. We also discussed what tee boxes players are required to play during club tournaments. Our MMGA Policies & Rules state "for all tournament play (major and mini), players are required to play from the tee box assigned to their quarterly flight updates". If a player becomes eligible to play from another tee box, then they must inform Tom of the move and that is the tee box they will be required to play during all club tournaments.
- 3) The meeting was adjourned at 1:10 p.m.
