

We're so excited to announce our Nutritional Supplement Program!

We've heard the need from the community, and we're excited to be able to bring in the products people need that are not easily found at stores! We will be working with the health professionals in the community in order to provide products that are needed when individuals are heading home from hospital, or to support those with a variety of conditions. You don't need a referral to participate in this program, nor do you need to be a member. You don't even need to be over 55!

All prices include taxes
