Keep in mind, No scary costumes, masks or weapons!!! The purpose is NOT to frighten the children.

Please make sure everything is ready by 5:00PM. Senate will have pizza for volunteers!

1-Set-Up starts at 3:00. Check the main map in the front lobby to find where your booth will be. Look for your booth number. Your booth MUST be ready and set up by 5:00!

2-We will open at 5:30 pm sharp.

3-There are about 1500 children plus parents and other siblings here so we all need to be on our best behavior. YOU are representing WRHS!

4-EVERYONE needs to clean up their space! We have school activities at school the next day so we have to make sure everything is clean.

5-When passing out candy, have the child do the fun activity to the best of their ability and then give them a few pieces. Watch your supply. Senate is providing the candy through school-wide donations. Any other materials needed must be provided by the people/club involved with the booth.

6-Think of fun activities for the children to do. For example: kick the soccer ball, throw the beanbag at the pumpkin, pin the broom on the witch, etc.

7-DRESS up.....wear your cool Halloween costumes and have fun.
