Southgate Parks & Recreation

Please remember that Kiwanis Park is still under construction and will be for the next few months. We have seen many people utilizing the park but we still have lots of work that needs to be completed around the new playscape and in other areas of the park.

All donations are used for the building and upkeep of the trains and equipment. Contrary to popular belief, all our members are volunteers and other than the joy of running their trains, we receive no pay or compensation
