

20 WISDOM WAYS

# 20 WAYS PEOPLE MISS OUT ON DIVINE OPPORTUNITIES

Fountain Hendricks

- People miss divine opportunities because they're **AFRAID OF CHANGE**: You cannot embrace new opportunities if you are afraid of letting go of old situations.
- People miss divine opportunities because they **DO NOT HAVE A VISION**: People with vision are able to see a supernatural event happen before it occurs. If you do not have the vision to see what is ahead you will not be able to receive what is coming toward you.
- People miss divine opportunities because they are easily **INFLUENCED BY FOOLS**: Foolish people give you advice that lead you toward destruction. Following foolish people will move you away from opportunity and lead you toward obstacles.

- People miss divine opportunities because they **DO NOT HAVE WISDOM**: Lacking wisdom will prevent you from recognizing divine opportunities. People with wisdom are able to recognize the difference between potential rewards from current problems.
- People miss divine opportunities because they **DO NOT FOLLOW THE HOLY SPIRIT**: The Holy Spirit knows the location of every divine opportunity. If you do not follow His direction you will miss out on supernatural blessings.
- People miss divine opportunities because they are **NOT HUMBLE**: Matthew 23:12 says, "*For those who exalt themselves will be humbled, and those who humble themselves will be exalted.*" Humility attracts divine opportunities toward you. Pride repels divine opportunities.
- People miss divine opportunities because they **DO NOT LISTEN TO THEIR INSTINCTS**: Instincts help you

to feel what you cannot see. Most of the time you cannot see what is divine, you just feel it.

- People miss divine opportunities because they **RUN AWAY FROM CHALLENGES**: Divine opportunities are hidden in your greatest challenges. David's challenge against Goliath was his hardest battle to fight yet his greatest opportunity. Embracing challenges exposes your potential greatness.
- People miss divine opportunities because they lean on their **OWN UNDERSTANDING**: Leaning on your own understanding will prevent the Holy Spirit from influencing you with His wisdom. The wisdom of the Lord opens the doors to divine opportunities.
- People miss divine opportunities because they have the **WRONG MENTALITY**: People who have the wrong mentality cannot understand the difference between an opportunity and a obstacle, trouble and treasure,

prosperity and pleasure. The wrong mentality prevents you from recognizing divine blessings.

- People miss divine opportunities because they plant **NEGATIVE SEEDS**: People who planted negative seeds are consumed with reaping a harvest full of trouble. People who are occupied with trouble will consistently miss divine opportunities.
- People miss divine opportunities because they get **COMFORTABLE** with their situation: People who are comfortable with their situation avoid making progress. People who are comfortable choose to settle for natural rewards rather than supernatural blessings.
- People miss divine opportunities because they **REFUSE TO TAKE A RISK**: Divine opportunities come to those who are willing to take a chance. Taking chances will open doors to new ventures.

- People miss divine opportunities because they listen to **BAD ADVICE**: Listening to bad advice will not lead you toward divine opportunities. It will lead you toward regretful outcomes. Bad advice will always produce negative results.
- People miss divine opportunities because they allow the windows of divine opportunity to **CLOSE**: When people do not maximize the divine opportunity given to them eventually the door will close. Divine opportunities do not last forever. They last for a season.
- People miss divine opportunities because they **DO NOT HAVE FAITH**: Walking by faith sheds light to the divine. People who do not walk by faith will not be able to see the signs and paths for receiving divine opportunities.
- People miss divine opportunities when they **CANNOT** recognize when God is **HELPING** them: When people

cannot recognize when God is helping them, God cannot help them.

- People miss divine opportunities because they **OVERLOOK DIVINE FAVOR**: When God gives you divine favor with people they are assigned by God to give you divine opportunities. If you reject or ignore God's messengers who are assigned to you, you will miss out on divine opportunities.
- People miss divine opportunities because they **LOSE** the favor they attained: Favor is the fragrance that attracts divine opportunities. When you lose favor with God and men you will miss out on divine opportunities.
- People miss divine opportunities because they **MISMANAGE THEIR TIME**: People who mismanage their time will squander moments that will lead them toward receiving divine opportunities. Mismanaged time is a wasted opportunity.
